

A black and white portrait of Roger Penrose, a middle-aged man with dark hair, wearing a light-colored suit jacket, a white shirt, and a dark tie. He is smiling slightly and looking towards the camera. A yellow rectangular border surrounds the left side of his face and extends down to the bottom of the slide.

“Spesso, quando si fa matematica, ci si sforza di trovare algoritmi, ma questo sforzo non sembra essere a sua volta un procedimento algoritmico”

(Roger Penrose)
